

Ernie

Need a working buddy? If so, check out Ernie.

This independent young boy is very smart and trainable, but he can be a handful at times so herding breed experience is recommended. Recently tested on livestock, he has the potential to be a decent working dog with more training. Ernie is very food motivated, and he loves to play with balls, toys and other dogs. He is pretty good at entertaining himself, but also has a mischievous and curious nature that will keep you on your toes. Ernie is completely housetrained and loves his crate, and he gets along well with other dogs and most people. Like most ACDs, Ernie can be very affectionate and has a strong desire to be with his people. He will do best with an active owner who will enjoy his energy level and will provide him with a job or other outlet for his high drive.

Free Spirit

Intelligent, independent, confident and clever, I prefer making my own decisions but will listen to you if you make a good case. We're partners in this adventure. Treat me like one and we'll both live happily ever after.
